- Menu Selection for Major Functions
- Automatic Station Search
- Lock Switch Prevents Accidental Touch
- Advanced Battery Charger with Faulty Detection Feature
- LED Charging Indicator
- Operates on Rechargeable or Dry-Cell Batteries
- USB Type-B Socket for Software Update

The DPR-76BT is an excellent companion for portable fun. Enjoy your favorite tunes to a visit in the park or a picnic in the garden with this compact radio featuring FM and DAB+. It's also a Bluetooth speaker should you wish to dive into your own playlist!

Thanks to its big easy-to-read LCD display with backlight, you won't have to worry about not being able to operate in the dark.

The slick design comes with great features, such as a headphone Port that allows you to dive into a world of your own music. Another worthy feature is the newly designed smart battery compartment. The radio will now be able to detect faulty batteries and locate its position in the battery compartment when plugged in for charging under standby mode. No more guessing and wasting batteries. Let's help build a greener environment!
